ChatGPT cites a Mesa HVAC directory that leaves Sample Heating & Air off its list

Asked for HVAC help in Phoenix, AZ and Mesa, AZ, ChatGPT named Sample Heating & Air in 0 of 20 usable answers (20 October 2026).

The question · ChatGPT

"Who are the best heating and furnace repair companies in Mesa, AZ?"

If you're looking for a reliable furnace or heating repair company in Mesa, Arizona, I'd start with a shortlist of established local HVAC contractors and compare their repair experience, customer reviews, emergency availability, and …

ChatGPT answer captured 20 October 2026, Mesa, AZ (excerpt; no business names shown)

The source behind it · Mesa HVAC directory (bestprosintown.com)

"Below are the best 25 HVAC services in Mesa picked by BestProsInTown"

> **Sample Heating & Air is not among the 25 businesses on this page, which we read in full, footer included. Your own site says you serve Mesa.**

This directory also sells top-three placement, so its order is not independent selection, and a listing does not guarantee being named.

First action

Ask the directory for a correct, free Mesa listing; paid placement is a separate choice. Who controls it: the directory. How we check it: the listing is live, then we repeat the same ChatGPT questions.
